- Banking
- Clean Air Act

Joseph Iser moved to adding these topics to the next working group or Task Force meeting. John DiMuro second. All in favor, motion carries.

#### VII. Public Comment

Jen Solas commented that we don't require uniform labeling for alcohol or any type of pharmaceuticals in the state of Nevada. You can't add a symbol to every liquid, every type of candy or every type of packaging.

Colin Mudd commented that responsible vendor training program that they have available in Colorado is similar for what you guys are talking about for educating employees, dispensaries and recreational source. Mr. Mudd suggested maybe having the state establish minimum standards for employee training.

Meeting adjourned at 4:06 p.m.
